

STRIKER SYSTEMS IS WILLING TO LICENSE THE ACCOMPANYING SOFTWARE TO YOU ONLY UPON THE CONDITION THAT YOU ACCEPT ALL OF THE TERMS CONTAINED IN THIS LICENSE AGREEMENT AND ANY SUPPLEMENTARY OR UNIQUE LICENSE TERMS INCLUDED HEREWITH ("AGREEMENT").

COPYING OR USE OF THIS SOFTWARE OR ITS DOCUMENTATION EXCEPT AS PERMITTED BY THIS AGREEMENT IS UNAUTHORIZED AND IS COPYRIGHT INFRINGEMENT UNDER THE LAWS OF YOUR COUNTRY. IF YOU COPY OR USE THIS SOFTWARE OR ITS DOCUMENTATION WITHOUT PERMISSION OF STRIKER SYSTEMS, YOU ARE VIOLATING THE LAW. YOU MAY BE LIABLE TO STRIKER SYSTEMS FOR DAMAGES, AND YOU MAY BE SUBJECT TO CRIMINAL PENALTIES.

## 1. GRANT OF LICENSE

Striker Systems, Division of Computer Design, Inc. ("Striker Systems") grants You a nonexclusive, nontransferable license to use this program (the "Software") and its manual and other accompanying material ("Documentation") with equipment owned by you or under your control, according to the terms and conditions of this Agreement. This Agreement permits a single user to install and use the Software on only one computer at one location at any one time.

**Educational Version:** If this Software is an Educational Version, you may use it only for the purpose of training and instruction, and for no other purpose. Educational Versions of the Software may not be used for commercial, professional, or for-profit purposes.

**Evaluation Version:** If this Software is identified as a demonstration, evaluation, or NFR version, you may use it only for the purpose of commercial evaluation and demonstration. You may not use it for commercial, professional, or for-profit purposes.

**Backup Copy:** Regardless of which version of the Software you have acquired, you may make one archival (backup) copy of the Software. Such archival copy may not be installed on another computer, unless such computer is a partitioned drive of a server to which only the authorized user has access. In any event, the archival copy may not be used or installed as long as another copy of the Software is installed on any computer. If the Documentation is in printed form, it may not be copied. If the Documentation is in electronic form, it may not be duplicated electronically; however, you may print out one (1) copy, which may not be copied.

**Additional Installation:** Except with Educational, Student and Evaluation Versions, you may make a second copy of the Software on the hard disk of a second computer owned by you or under your contract provided that (1) the original and second copies are used only by the same person; (2) the second copy is installed and used only on a notebook computer, home computer, or other non-server computer away from your usual work location for the purpose of enabling you to perform work while away from your usual work location; (3) only one of the Software copies is in use at any one time; (4) the second copy of the Software is used exclusively with the copy protection device (if any) supplied with the Software, and (5) the Software is not licensed and/or labeled as an Educational Version.

**Upgrades:** If Striker Systems labels the Software in the User Documentation as an upgrade or update ("New Version") to software previously licensed to you ("Previous Version"), the license grant with respect to the Previous Version terminates one hundred twenty (120) days after installation of the New Version. Within such one hundred twenty (120) day period of installing the New Version: (i) you must cease all use of the Previous Version and uninstall all copies of the Previous Version; and (ii) destroy all Striker Systems materials relating to the Previous Version or, upon request by Striker

Systems, return all such Striker Systems materials relating to the Previous Version to Striker Systems or the company from which they were acquired. Striker Systems reserves the right to require you to show satisfactory proof that all copies of the Previous Version have been uninstalled and all Striker Systems materials relating to the Previous Version have been destroyed or returned. If you have purchased a Technology Assurance Program membership, you may have additional rights under the Technology Assurance Program and the obligations in this section may not apply to you during the term of the Technology Assurance Program membership.

**Authorization Code:** If this Software requires an authorization code, you must register your purchase of this Software with Striker Systems before an authorization code shall be issued to you, and Striker Systems shall maintain your registration details.

**License Term:** Subject to the terms and conditions of this Agreement, the license to use the Software is perpetual, unless the Software is designated as a fixed-term license, a limited duration license or a rental license, and in such case the term of the license shall be the term for which you have paid.

## **2. RESTRICTIONS**

You may not decompile the Software if such information is available by licensing any Striker Systems Software Developer's Kit.
- 2.3. Distribute, rent, loan, lease, sell, sublicense, or otherwise transfer all or part of the Software, Documentation or any rights granted hereunder to any other person without the prior written consent of Striker Systems.

### **3. COPYRIGHT**

Title and copyrights to the Software, Documentation and accompanying materials, if any, and any copies made by you remain with Striker Systems and its licensors. The structure, organization, and code of the Software are valuable trade secrets of Striker Systems and its licensors. Unauthorized copying of the Software or Documentation, or failure to comply with the above restrictions, will result in automatic termination of this Agreement. This Agreement does not grant you any intellectual property rights.

### **4. GENERAL LIMITED WARRANTY**

Striker Systems warrants that the Software will provide the facilities and functions generally described in the Documentation and that the media on which the Software is furnished, if any, the Documentation accompanying the Software, and any hardware lock or other copy protection device accompanying the Software will be free from defects in materials and workmanship under normal use. STRIKER SYSTEMS DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE. The above exclusions may not apply to you, as some jurisdictions do not allow the exclusion of implied warranties. In addition to the above warranty rights, you may also have other rights, which vary from jurisdiction to jurisdiction. Striker Systems' entire liability and your exclusive remedy under the warranties made in this Agreement will be, at Striker Systems' option, to attempt to correct or work around errors, to replace the defective media, if any; Documentation or copy protection devices; or to refund the purchase price and terminate this license. This remedy is subject to the return of the defective media, documentation, or copy protection device with a copy of your receipt to your local Striker Systems office or the Authorized Striker Systems Reseller from whom it was obtained within ninety (90) days from the date of its delivery to you. Following expiration of this ninety (90)-day period, Striker Systems will replace any defective or damaged copy protection device in return for payment of an amount that covers the cost of a replacement device plus a fee for handling and shipment.
